This is the second office action for application number 10/823,826, Keyboard Instrument Support with Adjustable Ability, filed on April 14, 2004.

Drawings

The drawings were received on January 25, 2006. These drawings are accepted.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 9, "the" (third occurrence) has been changed to --a--; in line 10, "with" has been changed to --having--; and in line 27, "the" after "maintain" has been changed to --a--.

In claim 12, line 8, "adapted to be" has been deleted; and in line 20, "the arms" has been changed to --two arms--.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of the claims in this application are the limitations of a

keyboard instrument support having two legs horizontally separated from each other, two outer tubes respectively and obliquely extending out from distal ends of the two legs, two inner tubes slidably received in the two outer tubes respectively, two connecting tubes with two sliding tubes, a first seat and a second seat composed of two plates to rotatably receive therebetween a roller with multiple bosses formed on an outer periphery of the roller to correspond to a hole defined in each of the outer tubes and each boss being received in one of the multiple adjusting holes defined in each of the inner tubes, means for ratcheting elevation of the inner tubes relative to the outer tubes, and means for alternatively driving the ratcheting means to rotate such that the rotation of the rollers in the first and second seats lifts or retracts the inner tubes with respect to the outer tubes, essentially included in both independent claims 1 and 12 and in combination with the other elements recited in the claims respectively, which is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The above examiner's amendment has been made to overcome indefiniteness issues and to clarify the claimed subject matter.
